STUDY SKILLS WORKSHOP - A workshop designed to help strengthen your study skills will be held on Saturday, September 18, 1976 from 9am to 3pm in the AV Room. There will also be 5 follow up sessions during the semester to help you carry out the skills that you will learn. Sign up for this important workshop in the Student Development Office A106 before Thursday, September 16th. The workshop will be directed by Mary Ann O'Brien.

MOUNT CHORUS- The music department is happy to announce that Mr. Leo Nestor has joined their department and will be directing the Mount Chorus. Monday, Sept. 13th at 4pm in H506 there will be an informal social for all those students interested in learning more about the new and exciting plans that Mr. Nestor is making for our Chorus. PRESIDENT'S RECEPTION - Thursday, September 16th from 3-5pm in the Campus Center there will be a reception during which new and returning students can meet our new President, Sister Magdalen and also meet the faculty and administrative members of our college community.

DISCUSSION SKILLS WORKSHOP - This workshop may be for you if you think ... I rarely participate in group discussion--even when I have ideas to express. It bothers me that I don't do better in class discussions. I am reluctant to talk freely because of what others might think of me.....These are the sort of problems which confront many college students and this workshop directed by Ann Phelps is specifically designed to help you with them. Sign up for this important workshop (dates to be announced later) in the Student Development Office A106 before Thursday, September 16th.

NATIONAL INFLUENZA IMMUNIZATION PROGRAM for 1976 -- Mount St. Mary's College will be cooperating fully with local health agencies in helping to carry out the National Influenza Immunization Program for 1976. We have offered our facilities so that shots can be administered to both students and members of the local community on both campuses. We will also be asking for student, faculty, staff and administrative volunteers to help when the time comes. When the Public Health Department contacts us you will be informed of time, dates, etc. by the ASB Service Committee who will coordinate this program. Information on the Immunization Program will be available shortly in the Student Health Center.

STUDENT HEALTH CENTER - The Health Center will open on Monday, Sept. 13th at 7:30am. Hours will be posted on the door. We welcome to our campus this year our new College Doctor, Dr. Richard J. Lewis. NOTICES

IMPORTANT SAFETY REMINDER - The College has received numerous complaints from the Community about the drastic increase of traffic on Barrington since school began. A dog was hit early in the week by someone coming to the College. Remember that last year a child was struck by a car by someone coming to the College. DRIVE CAREFULLY and ask those visiting you to drive carefully also. It is recommended that students, staff and faculty not use Barrington because of the increased danger of accidents, but use Bundy. The Los Angeles Police Department has advised us that radar is now being used on both Barrington and Bundy to control speeding due to the number of complaints received by them also.

DANCE- The first dance of the school year is scheduled for Friday, Sept. 24 from 8pm to 12am in the Campus Center and It's guaranteed to be fun for everyone! LIVE BAND. Lots of dancing, refreshments and fun. Admission \$1.00. DON'T MISS OUT!!

STUDENT HANDBOOKS - The 1976-77 Student Handbook is now available. Resident students should pick up their copies at the resident desk. Day students should pick up their copies in the Student Development Office A106. This handbook contains information that is a vital part of student life on campus.

CAMPUS DIRECTORY - There are still some copies of "Where Go To For What" available in the Student Development Office. This directory is very helpful in letting you know where to find help or services when needed. Stop by for a copy.

SENIOR PICTURES - October 6th will be your last chance for SENIOR PICTURES. Please sign up for a sitting time two days before in the ASB Office. Pictures will be taken in the Campus Center and a \$5.00 sitting fee is required. Those who wish to have senior pictures taken by an off-campus professional photographer and want themselves in the 1977 Pictorial, please have a black and white glossy, 2½ x 2 inches printed. Attach your name to back of picture, put in an envelope and drop into box #110 before November 15, or else the picture will not make the "graduate section" of the book.

THE VIEW -is aiming for an early October publication date. All contributions and letters to the editor are encouraged and appreciated and should be submitted by September 24th to Box #411 or Mary Morris or Valerie Holcomb. If you are interested in helping with The View contact either of us immediately.

CAMPUS MINISTRY ACTIVITIES AND SERVICES

Sister Margaret Ellen and Sister Joyce Marie are at your service this year and look forward to working with you in building the kingdom of God in our world.

Social Action - We have been asked to help the Sisters of St. Joseph's Center in Venice. This is a new service for the poor, and elderly people in the WLA area. Many people need help, food, jobs and health care - we need to let them know where it is available. So, if you can help, please come by the Campus Ministry office - first job will be leafletting.

CCD - Wanna teach? Can you speak Spanish? Or can you help the trained teachers? Trish Mercado and Margaret Frankel are taking all volunteers - contact them, or they will contact you.

Prayer Groups - Individual guidance in prayer - If you're interested in praying together with others and want to start a group, let us know. "Where 2 or 3 are gathered I am there" (Jesus says). Individual 1 on 1 spiritual guidance is available - some began last year, we will continue to offer this help. Why not stop by Campus Ministry and find out more about this.

Counselling - Sister Margaret Ellen and Sister Joyce Marie are available for any student or faculty/staff.

HELPERS NEEDED AT ST. MARTIN of TOURS - St. Martin of Tours Parish welcomes handicapped persons (autistic, neurologically handicapped, mentally retarded, emotionally disturbed, physically handicapped, and multi-handicapped) of any age and their families to participate in their Religious Education Program for the Developmentally Disabled beginning Saturday, September 25, 1976 from 9:30am to 11am. There is also a need for volunteers and teacher's aides for this program who desire to work with students in a one-to-one student relationship and are willing to share their love for God with others!! For further information call: (evenings only) Mary Melanson at (213) 278-6306 or Phylliss Arnold at (213) 394-7719.

SAY THANKS TO THOSE HELPING YOU FINANCE YOUR EDUCATION

"Thank You" letters to the Foundation, Corporation, Business, Trust, Government agency or individual providing \$\$\$ for your scholarships while at the Mount would really be appreciated. Even the politicians responsible for the legislation which provides the funds for the California State Scholarship Program would enjoy hearing from you! 65% of the full-time, undergraduate students at the Mount are recipients of Financial Aid, and deservedly so. Now let's show our class by expressing our appreciation for the support we receive. To find out who you should write to, depending on the source of your funds, visit the Development Office on the first floor of the Administration Building, Chalon Campus.

If You Need an Eye Opener, This Is It:

HOSPITALITY KITCHEN service day for the Mount is Saturday, October 9. The Hospitality Kitchen is located in the slum area of downtown L.A. where unemployment is chronically high. Daily free dinners are offered to all who come through the kitchen's doors. Volunteers and donated food keep the kitchen open throughout the year. Periodically, Mount students volunteer to serve at the Hospitality Kitchen in order to provide the regular staff with a much-needed vacation. This is an excellent opportunity to help serve people in the Los Angeles community, especially those most in need. The Mount students are on the calendar for Saturday, October 9, 9:00a.m. to 4:00 p.m.. Please stop by the Campus Ministry office or the Residence Desk to sign up to work a shift on that day. Transportation will be provided via car pools. Thank you very much!

WEEKEND WALKING RETREAT:

A PILGRIMAGE

OCTOBER 29, 30, 31

After Mid-terms give yourself a break for a 26-mile walk through the peaceful verdant countryside surrounding San Luis Rey Mission.

The weekend will be a time to share, to enjoy the brisk pace of a long walk, to fill your lungs with fresh smog-free air and above all to wonder at the goodness of God's world in the company of pilgrims on the way.

We will leave Mount St. Mary's at 2:00 p.m. on Friday, stop for food along the way, and arrive at Pala Mission for the first overnight stay.

Saturday morning the walk begins. Cars will drop us off at the departure point. From there we will walk to Fall Brook, and then to Live Oak Park for supper. We will be staying overnight at Kathy Lemke's church.

Sunday morning our walk will continue to San Luis Rey Mission on a road that gives a broad vista including countryside and ocean. The Pilgrimage will conclude at San Luis Rey Mission with Mass and dinner. We plan to return to MSMC by 7:00 p.m. Sunday.

The cost of \$8.00 includes transportation and Saturday and Sunday evening meals. For more information than is provided here, contact Campus Ministry office, first floor Humanities Building, or Gail Anthony, Room 4K2 or Box 412.

SWINE FLU IMMUNIZATIONS

We have been advised by the Public Health Office that they will not be using either of our campuses for Immunizations. In addition, our college will not receive any vaccine.

Immunizations will take place in public clinics and by private physicians. The first public clinics to be held will be for senior citizens over age 60 and persons of any age with certain chronic medical problems. Dates on which the general public can get shots at public clinics have not yet been set.

Dr. Sheridan Weinstein, the top Public Health Service physician in the Pacific area said that while the vaccine will be available at public clinics, "the best way for the average person to get a shot is from a private physician".

Persons with known allergy to EGGS should receive the vaccine ONLY under special medical supervision. The Public Health Service recommends the vaccine for all persons over 18 and children over 3 with serious chronic diseases.

ALSO, Doheny Campus will be prominent in the Starsky & Hutch segment (renamed "Bust Amboy") to air October 23, 9pm on Channel 7.

A LETTER FROM ONE OF OUR NEIGHBORS (on file in Student Development Office)

Ladies:

As a resident of North Bundy Drive, I am acutely aware of the traffic problems presented by those driving to and from your campus. I am particularly concerned by those who drive over the posted speed limit, thereby driving recklessly and posing a danger to children, on-coming drivers, bicyclists, etc.

I believe you would be performing a public service if you would notify at least those who regularly go to and from the campus, i.e., students, faculty, employees, that adherence to the 30-mile-per-hour limit is much to be desired in eliminating hazardous driving and remind them that Bundy is a residential street, not a freeway for the sole convenience of Mt. St. Mary's.

Thank you for your attention.

May Graduates - Reminder:

Please get an application for degree form from the Registrar's Office from November 22nd through December 16th.

A Grade Of "Incomplete":

As you may have noticed in the 1976-78 college bulletin, a fee of \$10 has been established for removal of a grade of Incomplete (see page 16). This fee is intended to provide partial reimbursement for the added services the student receives when an INC is taken -- registrar services, recordkeeping, additional time for the instructor, etc. It brings the Mount into line with most other colleges in this respect.

In order to regularize the interpretation of the grade of INC and to provide a procedure by which the fee is paid, the Academic Board, on November 17, 1976, has established the following academic policy, effective immediately:

"An INCOMPLETE should be given only when a student:

- 1) has fulfilled the majority of the course requirements.
- 2) has a passing grade in the class work
- 3) is prevented from completing the assigned work for serious reasons, e.g., illness, death in the family, etc.
- 4) has consulted the instructor prior to the grading period and the instructor has determined that the student can realistically complete the work within one term/semester.

Any incomplete will remain as such unless removed by the instructor within one term/one semester. The incomplete is ignored when computing the GPA.

An incomplete can be extended beyond one term/one semester only upon petition to the Academic Dean."

Removing The Grade of Incomplete:

- 1) The student is responsible for completing the required work during the allotted time and delivering to the instructor for evaluation.
- 2) When the instructor determines that the student has satisfactorily completed the course work, the grade is sent to the Registrar's office.
- 3) Upon notification from the Registrar, the student pays the fee of \$10 in the Business Office, the grade is placed in the transcript, and the student receives a card in the mail stating the new grade.

For more detailed information on this procedure, see the information sheet posted outside the Registrar's Office on the first floor of the Administration Building.

Grand Canyon Backpacking:

Do you crave the thrill of victory? Does the thought of hiking a trail excite those tingling toes to get in a pair of boots? Here is the trip of a lifetime - a backpack down (and up) the GRAND CANYON! No experience or equipment necessary for this 16 mile round trip. "Charm" - Rachel Rosenthal:

At 8 PM on January 28th, there will be a performance by Rachel Rosenthal entitled "Charm". Says Ms. Rosenthal: "My performance is called 'Charm'. I decided to call it that on reading an article about sub-atomic particles in the Los Angeles Times. It would seem that some whimsical scientist found yet another common denominator of master-energy and named it 'charm' for personal reasons. I've always had a love-hate relationship with charm because my father and mother were suffused with it and it was the common denominator in their lives." Ms. Rosenthal was born in Paris, France in 1926 and is a naturalized American. She was educated in New York City at the High School of Music and Art and the New School for Social Research, and in Paris at the Sorbonne. Her teaching experience includes the now re-activated Instant Theatre, Occidental College, Stage Society and The American School of Ballet and the Pasadena Playhouse. Her art affiliations include: Womanspace-Co Founder and Co Chairman, and Grandview Collective: Co-Founder and member.

There is no charge for admission; the Gallery will be opened after the performance for a reception. Do plan to come.

Teresian Pilgrimage to Spain:

A 30-day Teresian pilgrimage to Spain, From June 13 to July 13th, is accredited by Mount St. Mary's College. This special in-depth study is designed to be both an enriching and a spiritual experience for those who have read the writings and lives of Saint Teresa of Avila and Saint John of the Cross.

Returning to 16th-century Spain, we will retrace the steps and journeys of these two mystics, and possibly gain a better insight into their writings as you study mystical thought right there in the original settings. This pilgrimage also offers the unique experience of viewing the personal belongings of Saint Teresa -- including her manuscripts of "The Interior Castle", "The Way of Perfection", and her "Autobiography".

There will be opportunities to speak with discalced Carmelite nuns who continue to live within those convents founded by Saint Teresa, and to catch a glimpse of the present struggles and endeavors to contemporize Saint Teresa's charism.

Instructor and guide: Sister Carmen Mary de la Vega, CSJ-interested researcher and interpreter of the works of Saint Teresa of Avila.

Credit: 3 units in Theology

Cost: Approximately \$1500 includes air fare, room, board

Response should be made prior to March 17th. For further information, you may contact Sister Carmen Mary de la Vega at (213) 732-2092, or see Sister Mary Frederick. (Editor's Note: A slide preview of the Pilgrimage to Spain is scheduled for 12 Noon to 1 PM, Little Theatre on February 25th.)

Report from: THE STUDENT LIFE POLICY BOARD:

(Submitted by Sr. Rose Adrian and the Resident Council):

The Student Life Policy Board approved the proposal for extended visiting hours at a meeting held January 17, 1977. Under Proposal B, which retains the present level of security, the extended visiting hours are listed as follows:

Monday through Thursday.....1:00 PM to 5:30 PM

Friday and Saturday.....1:00 PM to 5:30 PM

7:30 PM to 9:00 PM

Sunday.....1:00 PM to 9:00PM

(continued on Page 4.....)

Student Life Policy Board (continued):

Procedure:

- 1) The guest presents himself/herself at the Residence Desk and requests to have the student paged.
- 2) The student who has a visitor is expected to meet the guest at the Residence Desk and to accompany her guest(s) to and from her room. No male guests are to wander the halls unaccompanied.
- 3) When the guest(s) leave, the student visited is to accompany the guest(s) to the Residence Desk exit.
- 4) Lavatories for gentlemen are located on Brady Ground floor by the elevator and Lavatory A on Brady First floor by the Residence Desk. Do not embarrass others by having gentlemen use lavatories elsewhere.
- 5) The end of visiting hours will be announced ten minutes (10) before closing and at the end of visiting hours. Resident students are expected to anticipate the end of visiting hours and should assume the responsibility of having the guests out of the dorms on time. Failure to observe this procedure will result in the loss of privileges.
- 6) It is the responsibility of the resident students to see that the rules and regulations of the college are observed by visitors. This includes smoking in approved areas only, no drinking of alcoholic beverages on campus, and so on.
- 7) Food may not be taken from the dining room for guests and meal cards may not be used by others for meals. It is not permissible to take extra food for consumption by others.
- 8) Use of exits other than the Residence Desk exit results in security problems. If proper exits are not used, the privilege may be lost for everyone.
- 9) Students are asked to be considerate of each other by not monopolizing the rooms and by anticipating embarrassing situations. Students are reminded that this privilege can be preserved only through their cooperation. It is the responsibility of the student to see that these hours are observed and that violations are reported. In order to, once again, inform the students of this policy and its procedure, the Residence Council has called for a formal meeting of all resident students to be held during the first week of the Spring semester. The date and time will be announced later. Extended hours begin on January 24, 1977.

TO: All Administration, Faculty, Students

FROM: Sister Mary Williams, Academic Dean
Mary Ann O'Brien, Assistant Dean for Student Development

DATE: January 21, 1977

Last Friday, January 14, 1977, we jointly sponsored an open forum for students to discuss their concerns. Present at the meeting were Sister Magdalen, Sister M. Frederick, Monica Luechtefeld, Helen Hawekotte and the two of us.

We appreciate the time and effort that participating students put into trying to resolve campus concerns in a constructive manner. Some participated by submitting written concerns to us and others participated by attending and voicing their concerns.

We plan to schedule another student forum during the month of February.

As we promised, we will be reporting to you from time to time on the action taken on the items discussed:

Residence/Extended Visting Hours - The Student Life Policy Board met on January 17, 1977 and approved the extended visiting hours as proposed with no added security. In order to give residence staff time to notify all students of the proper procedures and hours, the effective date of these extended hours will be Monday, January 24, 1977.

Student Life Policy Board - The Board agreed unanimously that its top priority this year is to determine the function and responsibilities of the Board and to determine the policies and procedures the Board should be concerned with. If you have any ideas or suggestions, please send them to Mary Ann O'Brien, Sister James Marien, Betty Jagla, Ann Zachary, Katina Zaninovich or Carolyn Bailey.

Need For An Academic Grievance Process: By the first week of the Spring semester, a committee will be formed consisting of Administration, Faculty and Students to study possible procedures and make a recommendation to the necessary policy making groups (both faculty and students) by the end of the semester.

Policy and Procedures in the Nursing Department - Some of us at the forum met on January 19, 1977, with representatives of the nursing department to share many of the insights received at the forum. We see many things that could be changed or improved not only within the nursing department and the other academic departments, but also in the wider college support services - counseling, communication, career counseling, academic advisement, etc. Many of these things cannot be implemented overnight so in many areas we will be working out ways to implement changes for next year. At our meeting on January 19th, we did identify some ideas that can be incorporated into the nursing admissions procedure this year.

Grading Scale - The Academic Board which is responsible for defining grading policy has placed on their agenda for the Spring semester the consideration of the grading scale.

MOUNT st. MARY's COLLEGE

February, 1977

OFFICE OF THE PRESIDENT

To: Students of Mount St. Mary's College
From: Sister Magdalen Coughlin, President
Re: Tuition and Room and Board Charges for 1977-1978
(Effective September 1977)

Despite continually rising costs, Mount St. Mary's College has attempted to keep tuition as low as possible. We ask you to review the information on the attached sheets which indicates the 1976-1977 tuition and room and board charges at all of the independent institutions of higher education in California. You will observe that Mount St. Mary's has indeed maintained its tuition at a rate significantly below the average charged at other comparable institutions. It has also been determined through an informal survey that the majority of independent colleges and universities in California will find it necessary to raise tuition costs for 1977-1978.

In reaching the decision to increase tuition and fees at Mount St. Mary's College, the Trustees emphasized that they do not want this increase to deprive any student of the opportunity of attending the Mount. Therefore, the College will attempt to provide financial assistance whenever necessary. Information about financial aid may be obtained from the Financial Aid Office on either campus.

Sister Rose Gertrude H 319
Sister Jeanne Anne #7 (Office 15) Monday and Thursday 10:30 - 4:00

LENT

Lent is many things; a waiting, a searching, a finding. We prepare, look again, dust the areas of our interior home and await spring and the Risen Lord. Central to the Christian and Lent is the notion of MORTIFICATION- - - a dying for a living, a denial for a freedom. Here are some thoughts on mortification:

MORTIFICATION whether it is going without cigarettes or a large salary, is a symbolic action which proclaims the inner unity of men. The main reason to be mortified, to "give up" or to refuse pleasure is to be with another person who suffers, to say with your body, "I can't take it away, I can't even share it, but I am with you."

Fasting from a meal
Not wasting food
Going without a luxury
without a 'necessity'

MORTIFICATION IS NOT a matter of our "helping" or "loving" those who are needy.

It is a matter of knowing how each of us is needy.

INFORMATION ON THE GRADUATION COMMITTEE

As you know, Sister Magdalen set up an Ad Hoc committee several months ago to recommend to the Office of the President persons appropriate for graduation speakers, to develop process and procedure for the selection of the graduation speaker, and to develop process and procedure for selection of the celebrant and homilist for the Baccalaureate Mass. The Ad Hoc committee has had several meetings. At the first meeting, a list of about 15 possible graduation speakers, arranged in priority order, was sent to the President who has the responsibility of selecting the guest speaker for graduation. At a later meeting, the Ad Hoc committee proposed a procedure for selecting members of the graduation committee as well as selecting the student speaker for the 1977 graduation ceremony. The following process for selecting the graduation committee has now been approved by Sister Magdalen:

The committee will consist of the following members: three seniors, three juniors, two faculty members (one from each campus), one Associate in Arts sophomore, Sr. Mary Williams, and Mrs. Marie Simon. Students and faculty on the graduation committee will be selected from a list of volunteers by a special selection committee composed of Mrs. Mary Ann O'Brien, Sr. Leo Francis O'Callaghan, Sr. Mary Williams, a senior class officer, a junior class officer, and a representative of the sophomore class in the Associate in Arts program.

We are now inviting students and faculty members to volunteer to serve on the graduation committee. When the selection committee has made a decision, an announcement will be made in the appropriate bulletins of the full membership of the committee. After reading the following description of the role and responsibility of the graduation committee, please apply in writing to Sr. Mary Williams by Friday, March 11, if you would like to be considered for membership on this committee:

The graduation committee functions during the last two or three months of the academic year to plan and take leadership in the activities of the baccalaureate and graduation ceremonies. Specific responsibilities of the committee include: selection of the senior who will be the student graduation speaker, planning and carrying out the following activities: distributing information to graduates, collecting necessary information for the graduation program, etc., the Baccalaureate Mass and the reception which follows, selection of the Honor Guard for graduation, etc. Those serving on the committee in the past have found it to be a position of responsibility that involves them closely with helping to carry out one of the most beautiful and significant events of the year - Mount St. Mary's College's tribute to those who have achieved the degree for which they had been working.

METANOIA . . . What's that all about? Try a four letter word
that means:

CHANGE OF HEART . . .
LENT

LENT LENT LENT LENT LENT

40 days preceeding Easter in which Catholics and other Christians
are encouraged to look at their lives in terms of prayer, self-
discipline, deeds of love

PRAYER: taking time alone to reflect on the meaning of life
joining with the community in Eucharist

SELF-DISCIPLINE: move toward simplicity of life
seeing if you're a junk-food junky
try acquiring some "non-material goods"
kind thoughts
good reading, music, conversation

DEEDS OF LOVE: a phone call or letter to your folks when you don't
ask for money; taking time with a younger brother or sister
or elderly grand parent; giving some material possession you
have to someone who needs it

take time out of your hectic day for quiet prayer and celebration of
Eucharist; a way of personal growth, and to the building of our Mt.
Community. Lent is a good time to start "The Mass Habit", a positive
addiction you'll never regret.

Masses: Noon every week day

6:45 A.M. every week day except Wed.

5:00 P.M. Mon. in Brady Parlor; Wed. in Rossitor

8:00 A.M. & 4:00 P.M. Sat.

ADVISEMENT/PRE-REGISTRATION FOR 1977-78:

Every student (unless she is graduating in May) should set up an appointment with her academic advisor sometime between April 21st and 28th. The purpose of this session is to discuss your academic plans for 1977-78 and to make your course selections. Please plan to see your advisor even if you do not intend to return to the Mount next year. Your advisor will give you student request forms and specific directions at the time of your appointment. You will be given priority numbers (for getting into limited classes) on the basis of the time your request forms are completed and deposited in the office of the Dean, so it is to your advantage to see your advisor as soon as possible.

If you are a sophomore, you should continue to see the advisor you've had this year, but if you have specific questions related to your major, you should check these out with the chairman of the department into which you'll be moving next year. During the summer, your advisement folders will be shifted to the department in which you plan to major.

This year, we're attempting to simplify the process of enrolling in classes and to coordinate the pre-registration process closely with the actual registration. It is important, then, that you make firm decisions now, and this will greatly simplify your actual registration (in September for the Fall term; in December for the Interterm; in February for the Spring term). You will be expected to keep the schedule you sign up for now unless some emergency arises.....from Sister Marv Frederick.....

COMMENCEMENT/BACCALAUREATE: Dr. Sterling McMurrin, former U.S. Commissioner of Education and presently the E.E. Erickson Distinguished Professor and Dean of the Graduate School of the University of Utah has accepted our invitation to be the 1977 Commencement speaker. Dr. McMurrin is a respected exponent of the enduring importance of the liberal arts. Celebrant and homilist for Baccalaureate Mass will be his Eminence Cardinal Timothy Manning.....Submitted by Sister Magdalen

CONGRATULATIONS to Ann Zachary, Katina Zaninovich and all others who share the fabulous success of Spring Sing '77. A job, beautifully done!!!!

I oppose the death penalty because I feel that it is not only immoral but it is not a deterrent to crime. This book amply illustrates the need to understand better the men who are now incarcerated, and why the reinstatement of the death penalty will only aggravate the situation.

FRANK WILKINSON
Director, National Committee
Against Repressive Legislation

In 1972 Ethel Shapiro Bertolini celebrated her fifteenth wedding anniversary by sending copies of *When the Storm Broke*, her recent novel of the Great Depression of the Thirties, to 300 prisoners.

The response was a flood of letters, prayers, poems, stories, polemics, and deep feelings which over four years has become a strong river of love flowing through the most impregnable walls of our culture.

RESIDENT ASSISTANT PROGRAM
MOUNT ST. MARY'S COLLEGE
1977 - 78

SCHEDULE OF SELECTION:

April 18th - Applications available
April 29th - Applications/references due in Director of
Residence office.
May 2nd - 8th- Interviews
May 9th -10th- Selection committee meets to determine R.A.s

NUMBER OF POSITIONS OPEN AND SALARY:

6 positions open at \$775.00 per year.

REQUIREMENTS:

A full-time student in Fall '76 and Spring '77 at MSMC.
A Junior, Senior or Graduate Student in Fall '77.
A cumulative GPA of at least a 2.50.
Completion of General Psychology - Psy. 1.
Two semesters of residence in MSMC Residence Hall.
A commitment that will not involve more than 15 hours per week
outside work while participating in the Resident Assistant
Training Program (the preference being no outside work or
extra-curricular responsibility).

GENERAL INFORMATION:

A new Resident Assistant Training Program has been designed for MSMC for that motivated upper class or graduate student who has an interest in and/or a professional goal that involves the art of counseling. It is the college's intention, specifically the Department of Student Development, to offer to the student a unique program that combines the aspects of both classroom learning and practical experience in the area of counseling, personal development, and interpersonal relations within the context of a Christian philosophy. The student has the opportunity to not only get to know him or herself better, but to help MSMC and its student body to achieve more of their potential.

There are basically three general aspects to this program:

First - residence staff position (includes duties, meetings, responsibilities.)

Second - weekly training sessions (1½ hours per week plus journal).

Third - intensive training workshop (one week before school begins).

The Resident Assistant Program is not for those who are looking for something interesting to do and getting paid for it. It is an intensive program designed to expose the student to both the joys and the frustrations of working with people in a counseling role. Those who will have a number of additional outside responsibilities are discouraged from applying, for sacrifices are involved. The program is not as glamorous as it may appear, as most significant learning experiences usually are seen from the inside out. Each applicant should keep in mind that the Resident Assistant will be expected to meet all the requirements that the average student must meet as well as having the responsibility of being a Resident Assistant.

STUDENT LIFE POLICY BOARD:

The Student Life Policy Board met on April 25, 1977. Residence Staff and Officers attended this meeting on residence policies. A full report will be made to students as soon as we prepare it.....from Mary Ann O'Brien.....

ROOM FOR A FEW MORE:

What would happen if the ONLY way YOU could attend MSMC was to live in residence, and there was no room??????? I believe you would expect us to do everything possible to help you move into residence.

Last summer we unexpectedly had this happen to many students and we spent many hours trying to place students. Once everyone was placed, we began immediately to make plans for next year so students would have rooms. Under the direction of Sister Magdalen, Mr. Kearns and Mary Ann O'Brien explored every possibility for a temporary solution to our residence space problem. (All colleges are looking at this as temporary because of the expected decline of students in the next few years). We contacted other colleges, talked to local motels and hotels, talked to contractors and zoning commissions regarding trailers and looked at the possibilities of the House of Studies and Rossiter.

The only possible solution out of all suggestions and ideas was to double some of the single rooms. Although this will provide tight quarters, we learned from other colleges that students don't mind giving up some space and privacy if it means attending the college.

The decision was therefore made to double nine single rooms on Brady first floor. These rooms will be rewired during the summer to provide more electrical outlets.

The Casa will not be used for residence next year so that students will not have to move in and out when the college needs the facilities.

Student Development will also expand its off-campus housing program this summer to insure that we can find room for everyone...from Mary Ann O'Brien.....

GRAD BALL: Saturday evening, May 7th, in the Grand Ballroom of the Pacifica Hotel in Culver City. Cocktails served from 7-8 PM; dinner served at 8 PM, and dancing to the music of Ron Rubin will follow dinner until 1 AM. Attire is formal. Bids are \$25 per couple. Tickets on sale-Little Theatre Foyer. Graduation Ball chairpersons are Patti Muller and Theresa Lewis.

ESTATE PLANNING SEMINARS:

MSMC is planning to conduct Estate Planning Seminars as a public service, at no charge, for the benefit of all its constituencies: parents, grandparents, alumnae, their parents, faculty, staff, Administration, Regents and Trustees. The first, in the early fall of 1977, will utilize the talents of experts in the fields of taxes, insurance, investments, trusts and law as panelists to answer questions. Estate planning is as important to those of "comfortable", "average" or "modest" means as it is to wealthy people. It involves all the complicated aspects of insurance, taxes, investments, trusts, wills, property management and retention of spendable income now.

To launch this important and beneficial program, you can be of tremendous help by providing the names and addresses of friends and relatives who would benefit by such a seminar. There is no charge or obligation. We feel there is a clearly identifiable need for symposiums such as these which will provide timely, accurate and professional guidance to our friends. As long as we are in a position to do so, we will conduct Estate Planning Seminars on a continuing basis as a service to our deserving public. You may submit, in addition to your own, the names and addresses of the persons you suggest be added to the guest list to the Office of Development, main floor, Administration Building, across from the Business Office. Invitations will be mailed about August 1st....from the Development Office.....

IOTA RHO:

Iota Rho, MSMC chapter of Phi Alpha Theta, the international history honor society, co-sponsored the Southern California Regional Conference of Phi Alpha Theta with Loyola-Marymount at Loyola last Saturday, April 23rd. Barbara Tucci and Beverly Sandobal, seniors, were the Mount co-ordinators of the Conference. Special student participants included: Joan Cashion, Valerie Holcomb, Lori Johnson and Michele Robinson, who provided critiques of papers submitted. Ms. Mary Morris, Dr. Oard, and Dr. Gelbard served as moderators of discussion panels. Also attending from the Mount were Sr. James Marien and Gail Anthony.....

"AN ART HISTORY LESSON OR TRIUMPH OF THE FRAME" - Gallery:

This exhibition of paintings by L.R. Esbensen will be presented at the MSMC Gallery through May 8th. Mr. Esbensen, who is both a teacher of painting and a lecturer in Art History, is presenting 28 paintings at this exhibit. An illustrated catalogue accompanies the exhibition. Says Mr. Esbensen: "The frame has been a long neglected subject in the scholarship of Art History. Considering the care that goes into the frame, before a painting is even hung, this neglect becomes astounding. The painstaking attention given by collectors and museum curators to the frame, which can be realistically considered the final touch in the creation of a work of art, is well known. In actuality, the frame goes far beyond merely complimenting the painting (as it is often regarded) but as this exhibition so well documents, it can generate those recognizable characteristics which make up a period style, the fundamental concept of art History itself".

REPORT FROM STUDENT LIFE POLICY BOARD MEETING - APRIL 25, 1977

Carrie Philpot, Resident President, presented to the Board the results of the questionnaire distributed to resident students.

Of the items of concern to the students, the following dispositions were made:

Residence Council to handle:

- (1) Security Problems
- (2) Transportation problems (use of shuttle bus)
- (3) Study room facilities for resident students.

Student Life Policy Board to handle:

- (1) Campusing system and menial task punishments
- (2) Quiet hours
- (3) Sign-in/Sign-out

All residence officers and Sister Rose Adrian attended the discussion on the above three items.

The Student Life Policy Board then discussed each item in light of all the comments made. The board's decisions are as follows:

1) CAMPUSING AND MENIAL WORK PUNISHMENT:

Campusing, etc., should be abolished beginning in the Fall of 1977. The system of enforcement that will that will replace it is an "umbrella" system of authority. When a student breaks the rules:

(Student Life Policy Board Meeting - April 25, 1977 - continued --)

- 1st offense - handled by floor representative; reported to R.A.
- 2nd offense - handled by R.A. - reported at staff meeting
- 3rd offense - handled by Assistant Director of Residence -
reported at staff meeting
- 4th offense - handled by Director of Residence - reported at
staff meeting
- 5th offense - referred to Dean for Student Development
(Offenses run concurrently on a yearly basis).

2) QUIET HOURS:

Quiet hours should remain the same but should be reviewed next year. Resident Assistants and Residence Council should work next year on controlling and enforcing quiet hours and determine student opinion on hours. The problem seems to be in hours not being enforced, more than in hours being changed.

3) SIGN-IN/SIGN-OUT:

Under the present security system, signing in and signing out could not be abolished unless the three types of leaves are abolished. Mary Ann O'Brien (as acting Dean) has already referred the residence contract to our college lawyer for determination of the effect of 18-year-old majority on parents signing contracts and determining leaves. The Board felt that a legal recommendation should be made before we go any further on this item.

The general consensus of the Board on all items discussed was that many of the problems encountered are due to internal problems and lack of consistent and uniform enforcement and not the policies themselves. It is felt that the new R.A. training program will help tremendously, but consistent teamwork must take place with staff, officers and resident assistants.

The Board left the following recommendations for next year's Student Life Policy Board:

- 1) Revise policy and procedure manual.
- 2) Begin a formal yearly review of all policies affecting students.
- 3) Continue to look at residence policies.
- 4) Actively solicit input to Board.
- 5) Publicly announce meetings (Student Bulletin).

Mary Ann O'Brien
Chairman
Student Life Policy Board

C O N G R A T U L A T I O N S to all of you....from Jackie Bird

ATTENTION: JUNIORS:

Never fear! We have not forgotten about class officers for next year. Unfortunately we've not been able to plan them before finals, so...next September, when you are all refreshed, relaxed and EAGER to begin your last year at MSMC, we will have elections. Instead of officers, however, we will have a Senior Board of five (5) members. Be thinking about Senior activities if you plan to run for board. It will be our last year...let's make it the BEST, most memorable one ever! from Junior Class Officers 1976-77.....

PRE-REGISTRATION/REGISTRATION:

Any student who pre-registered prior to April 28th has been scheduled for the classes of her choice unless she has been notified to contact Sister Mary Frederick. (Please note: Several students did not have correct information on blue sheets, so are not pre-registered...see note on 4th floor bulletin board). When a student comes to register in September, she will pick up her pre-registration confirmation, and this will serve as her permit to enter classes. Those students who have not pre-registered will have to go through a separate registration process in the Fall ... from Sister Mary Frederick

The Junior Class Board Members for 1977-1978 are Cindy Burns, Charlotte Garrison, Ann Higson and Vanessa Polacek. Thanks to all who ran and the best of luck to the new board...from Mary Alice Godrey and Valerie Holcomb
